

High Desert

Designed by Jinny Beyer • Instructions by Margrit Hall

72" x 72"

Featuring fabrics from the
High Desert collection by Jinny Beyer

High Desert

72" x 72"

All strips are to be cut on crosswise grain of the fabric (width of the fabric) unless stated otherwise. All strips are based on 42" long strips. Press all seams toward arrows. Carefully trim off all selvages. **Please Read the Pattern Carefully Before You Begin.**

For cutting the 19/16" strips, use a ruler with 1/16" gradients or use the enclosed cutting guide template.

Fabric Cutting Directions

1	4459-1	See directions in the pattern.	
2	4461-3	Cut (4) 3 1/2" x 17/8" yard strips for the 2nd border (length of fabric). From the remaining fabric, cut (10) 5 5/8" squares. Cut each square once on the diagonal to make (20) triangles.	
3	4464-11	Cut (1) 6 7/8" strip. Cut strip into (4) 6 7/8" squares. Cut each square once on the diagonal to make (8) triangles.	
4	1535-10	Cut (1) 6 7/8" strip. Cut strip into (6) 6 7/8" squares. Cut each square once on the diagonal to make (12) triangles.	
5	4462-3	Cut (2) 6 7/8" strips. Cut strips into (8) 6 7/8" squares. Cut each square once on the diagonal to make (16) triangles.	
6	4461-11	Cut (2) 6 7/8" strips. Cut strips into (10) 6 7/8" squares. Cut each square once on the diagonal to make (20) triangles.	
7	4460-1	Cut (1) 6 7/8" strip. Cut strip into (2) 6 7/8" squares. Cut each square once on the diagonal to make (4) triangles.	
8	4462-1	Cut (1) 6 7/8" strip. Cut strip into (4) 6 7/8" squares. Cut each square once on the diagonal to make (8) triangles.	
9	4464-1	Cut (1) 6 7/8" strip. Cut strip into (6) 6 7/8" squares. Cut each square once on the diagonal to make (12) triangles.	
10	4461-21	Cut (1) 9 5/8" strip. Cut strip into (4) 9 5/8" squares. Cut each square twice on the diagonal to make (16) triangles. Cut (14) 19/16" strips. Use (5) of the strips to cut (20) Template A (see illustration at right). Use (4) of the strips to cut (20) Template B. Cut right-side-up and do not fold fabric (see illustration at right). Use (5) of the strips to cut (20) Template C. Cut right-side-up and do not fold fabric (see illustration at right).	

Quilt Center Block

Before beginning to piece the quilt, make the center block. Cut (4) 21 1/8" x 60" (12 2/3 yard) strips from the narrow stripe of the border print. Then cut (4) 5" x 21 1/2" yard strips from the wider stripe of the border print. The remaining portion of the border print will be used to construct the center block.

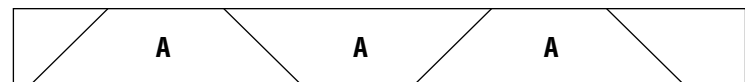

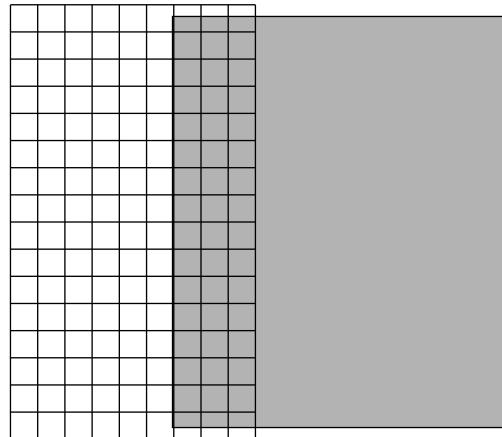

Make a see-through template using template plastic for Template D. Center the template on the large motif in the remaining border print stripe as illustrated below. Cut three more identical triangles and sew together as illustrated.

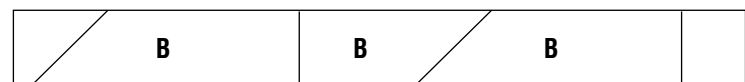

Cutting Guide for Rotary Cutting

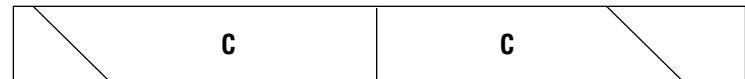

Make a paper template with the enclosed cutting guide template. Carefully place one edge of the template along the edge of the ruler and tape in place. Using the template as a guide, cut the strip the same width as the template.

Template A

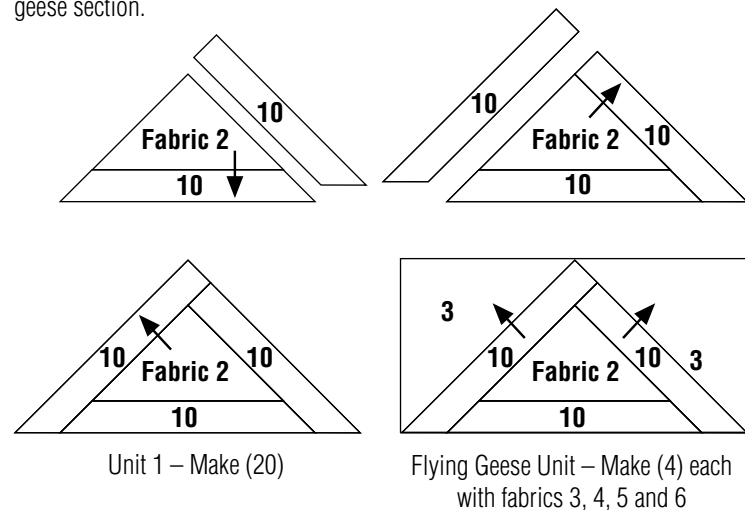

Template B

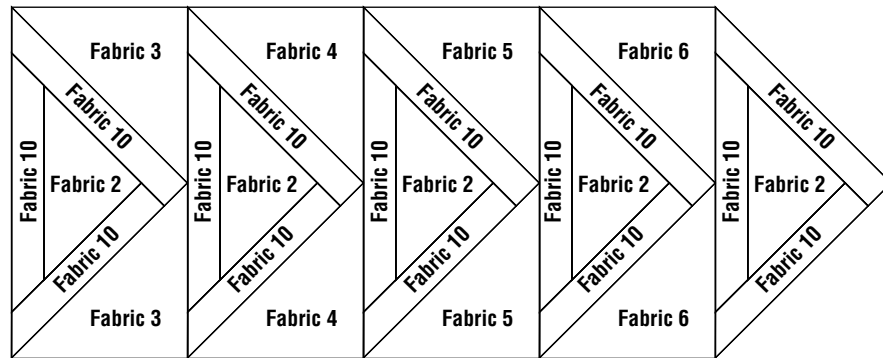

Template C

Flying Geese Sections

Sew a fabric 10 Template A to the bottom of a fabric 2 triangle. Sew a fabric 10 Template B to the right side of the triangle, and a fabric 10 Template C to the left side of the triangle to make unit 1. Make (20). Sew a fabric 3 to each side of (4) unit 1s to make the flying geese unit. Repeat the process using fabrics 4, 5, and 6. Use the following diagram to sew units together to make a flying geese section.

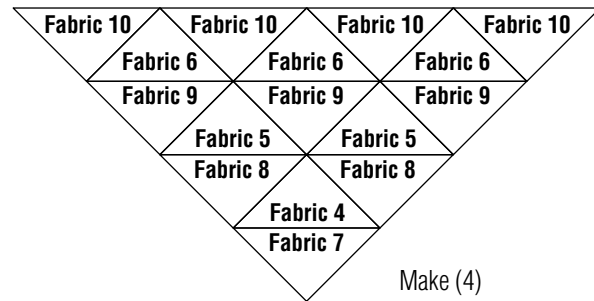

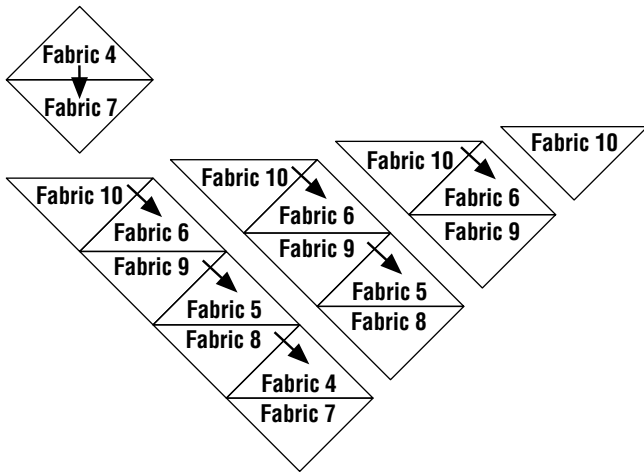

Flying Geese Section – Make (4)

Triangle Sections

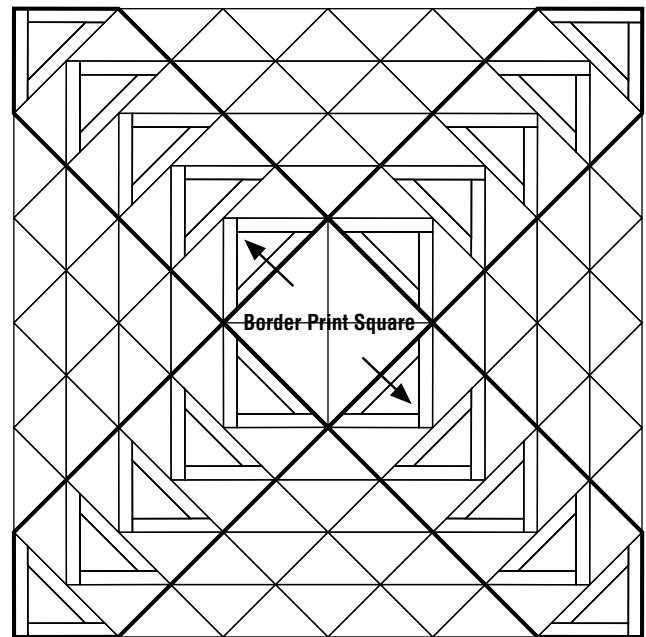

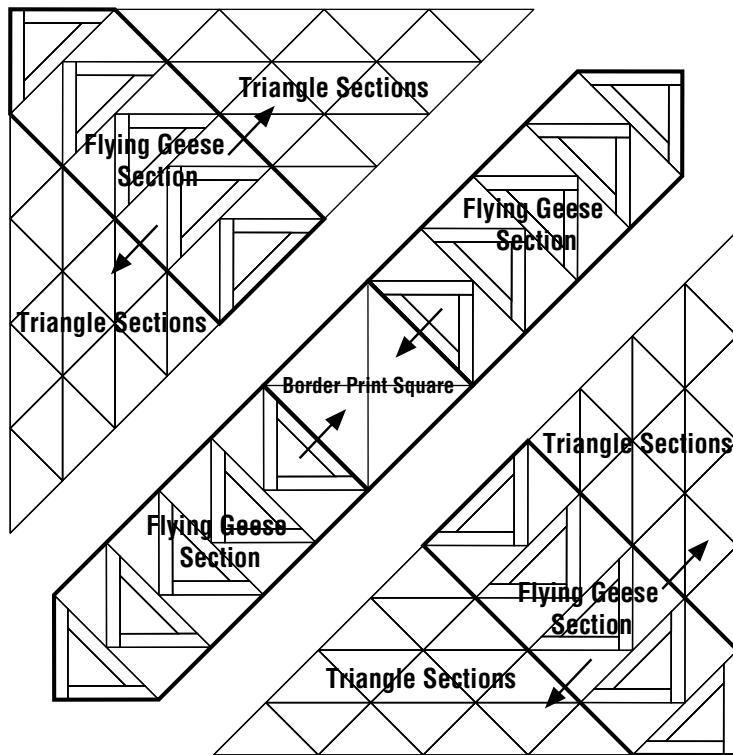

Sew a fabric 4 triangle to a fabric 7 triangle. Make (4). Repeat, sewing a fabric 5 triangle to a fabric 8 triangle. Make (8). Sew a fabric 6 triangle to a fabric 9

triangle. Make (12). Using the squares and fabric 10 triangles, sew together according to the following illustration.

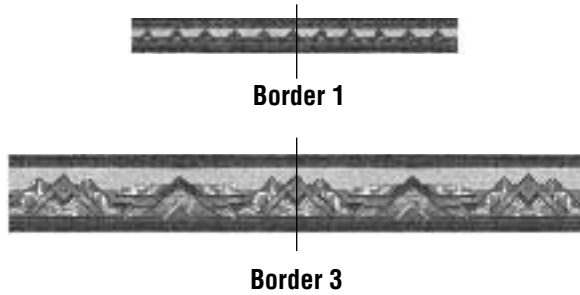

Make (4)

Sew the body of the quilt together.

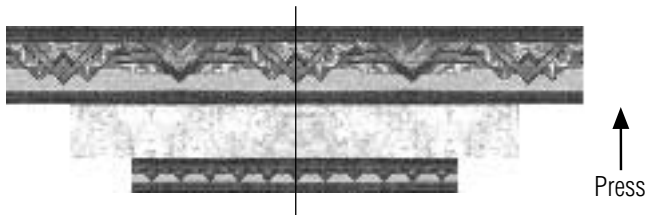

Borders

1. Fold each border print in half, dividing the mirrored-imaged sections into two equal halves. Press on fold.

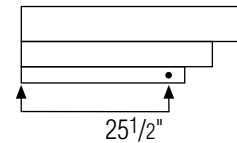

2. Fold border 2 in half. Press on fold.

Matching the folds, sew the three borders together as illustrated.

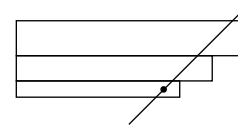

3. Fold the quilt in half, and measure across the middle. It should measure 25 1/2". If your measurement is different, use your measurements for the following steps.

4. Fold the border unit as shown. The design motifs should be exactly the same on both and should be precisely matched. Measure 25 1/2" from the center fold. Place a dot a 1/4" up from the bottom edge of the border.

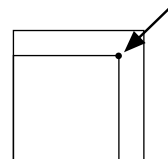

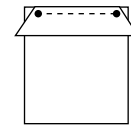

5. Lay a ruler with the 45° marking along the top of the border and the edge of the ruler through the dot. Cut.

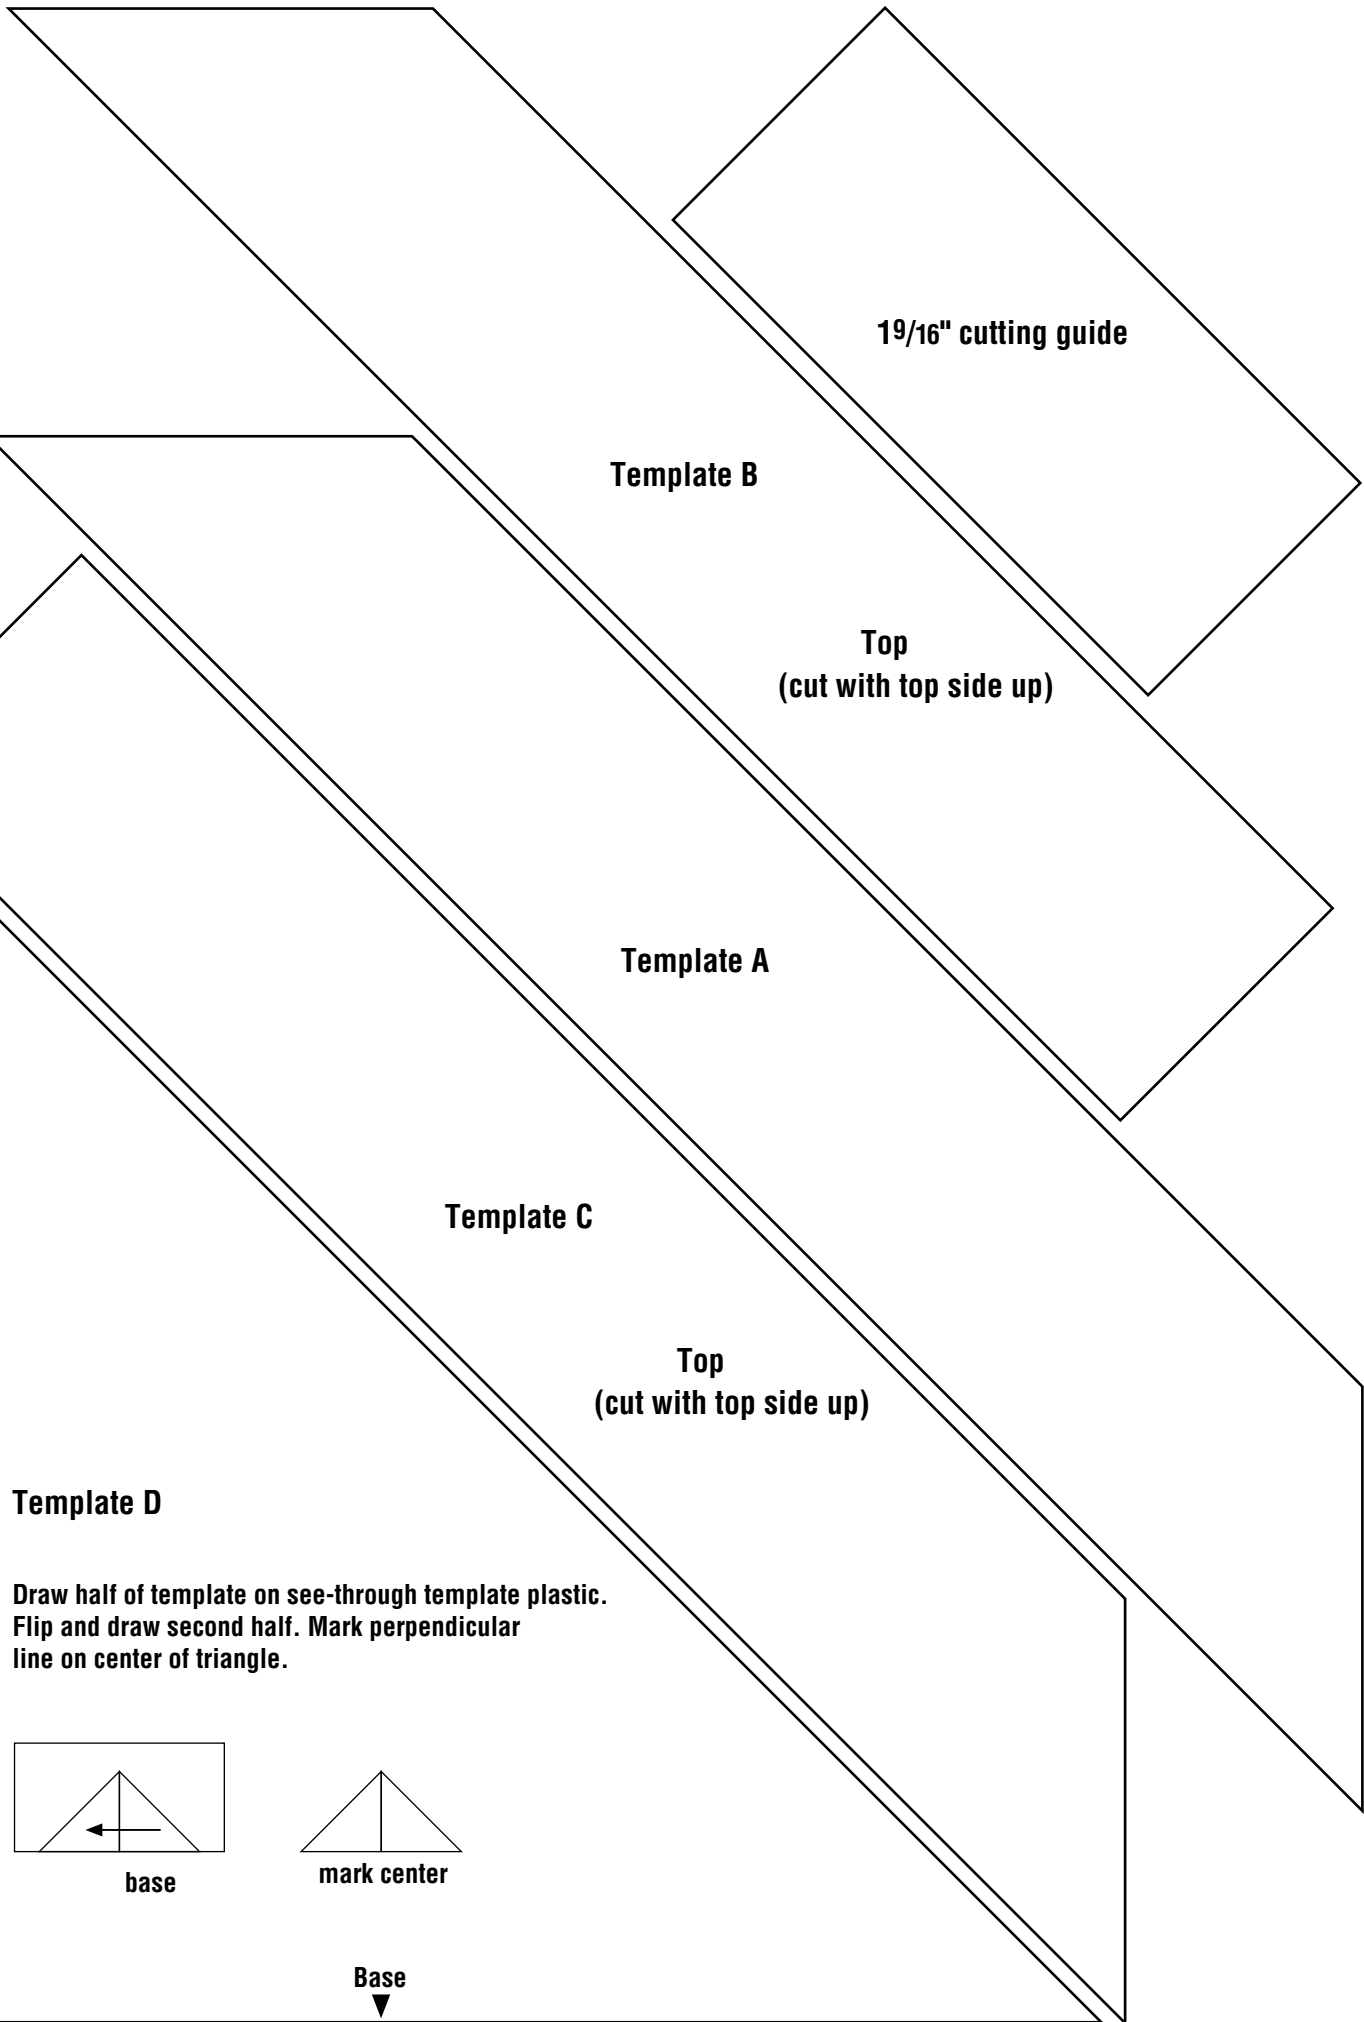

6. Match the center of the border to the center of your quilt. Sew the border to the center of the quilt. Sew the border to the quilt (do not sew through the seam allowances).

7. Sew miters last, carefully matching the design motifs. Sew to the dots (do not sew through the seam allowances). See pattern cover for illustration of completed borders.

Fabric Requirement Chart

Fabric Swatch	Fabric #	Style #	Description	Yardage
	1	4459-1	High Desert Border	21/2
	2	4461-3	beige Canvas	17/8
	3	4464-11	beige Palm	1/2
	4	1535-10	taupe Etch	1/2
	5	4462-3	gold Lichen	1/2
	6	4461-11	gold Canvas	1/2
	7	4460-1	blue High Desert Floral	1/2
	8	4462-1	teal Lichen	1/2
	9	4464-1	blue Palm	1/2
	10	4461-21	teal Canvas	13/8
